October 4, 1957 Edition

All about our Professor  
Dr. W. Otto Miessner

In 1905, Dr. W. Otto Miessner head of the school music department of the University of Kansas, and former president of the Music Educators National Conference, organized the first school band at Connersville Indiana and has been referred to in music circles as the "Father of School Bands."

On completion of his music studies in New York, Chicago, Cincinnati and abroad President Lotus D. Coffman, of Minnesota University, induced him to specialize in the educational field. Dr. Miessner subsequently held many important musical posts.

He directed the music in schools at Oak Park, a Chicago suburb; was director of music in the department he organized at Milwaukee State Teachers College; supervised summer courses at Northwestern University; was appointed by Rudolph Ganz and Herbert Witheraspoon the head of the music educational department at the Chicago Musical College; founded the Miessner Institute of Music of Chicago.

Dr. Miessner is responsible for several noteworthy musical inventions; a miniature upright piano the "Melodybells," the rhythophone and the famous "phonoscope." He authored "The Melody Way Method" of music teaching, which has been adopted by school systems in the United States, Europe, Asia, South Africa and others.

### SCRAPE DRIVE

The Senior class is planning to have their annual scrap-drive Tuesday, October 8, 1957.

We would sincerely appreciate any help from the students and the neighborhood. All profits will go to the Senior class to help out on our Senior trip. Just as last year, we again cannot accept paper since there is no market for it. All other donations will be gladly accepted.

### Health Today

We have been very fortunate in Fayette County to escape the flu thus far. Some preventative measures. We should follow these in case we become sick.

1. Stay at home if we have a fever.
2. Don't let sore throats go untreated.
3. Get sufficient rest.
4. Force fluids, fruit juices are essential.
5. Stay away from crowded places.
6. Cover your sneezes and coughs.

four county Health  
nurse,  
Joannie Alford

"This pen leaks," said the convict as the rain came pouring through the roof.

"When I grow up," bragged four-year old Vera, "I'm going to be a brownie."  
After a thoughtful silence, three-year old Albert declared; "Well, I'm going to be a bologna sandwich."

"Know what time it is?"  
"Yeah."  
"Thanks." "As the cat said when his tail was cut off: "It won't be long now."

College is just like a laundry. You get out of it just what you put into it, but you'd never recognize it.

Judge: "You admit that you drove over this man with a loaded truck. What is your excuse?"  
Defendant: "I didn't know it was loaded."

On a civics test, students were asked to name the necessities of life. One boy answered: "Parents."

# Daffynitions:

DILAPIDATE---to get a girl off your lap when you hear her father coming.

EATRACT-----deodorized

INUNDATED----all alone by the telephone.

MEMBRANE-----the part of your brain that you remember with.

HIGHMINDED---anyone whose head comes to a point.

# "COURTESY"

To be manly and ladylike to be courteous. The old-fashioned "Pardon me", "Please", and "Thank you", should be at the top of the vocabulary list of every teenager. We have been led to believe by some 25% character that the only way to get ahead is to step on somebody else and then kick them for being in our way.

Here's a chance for every young person to be dynamically and delightfully different. Nobody wants to hire a gal or a guy who hasn't learned the basic fundamentals on courtesy. Fellow--no matter who the girl is, always remember to be a gentleman and express yourself that way.

"Honor thy Father and thy Mother," is not a verse only for grade-schoolers. That applies to all young people! Any fellow who dares to say "the old man" or "the old lady" ought to be disciplined, and some day he will be!

Then there is the matter of your teacher. Never be caught calling him by his last name or leaving out the Mr...! Remember--the shepherd of the flock demands respect. One of these days when you stand, applying for a job, you aren't going to call the fellow who interviews you by any of the names with which you referred to your teachers. Practice Politeness; it really shows on you. Some curled lipped, slouch shouldered, cigarette-puffing classmate will show his colors in the way in which he refers to people who know more than he does.

"We should not try to crowd others off the highway of contentment for our own selfish needs. Be polite and courteous, and you will be treated with respect and courtesy."

# Favorite Song

# GOSSIP

What 8th grade girl has a new name of John?

What male teacher sits in the Home room and draws hula skirts on the blackboard?

What 8th grade boy makes such good cakes?

Who was the teacher that asked a certain boy if he needed a toothpick to keep his eyes open?

What Junior boy enjoys racing his motor but always gets picked up?

What Junior boy asked a Junior girl and a Senior girl to go on the hayride but was refused by both?

What freshman boy was out behind the barn studying Algebra with his next door neighbor Tuesday night?

What Senior girl nearly fell for a boy at the Musnville skating rink Saturday night? Did he catch her????????????????

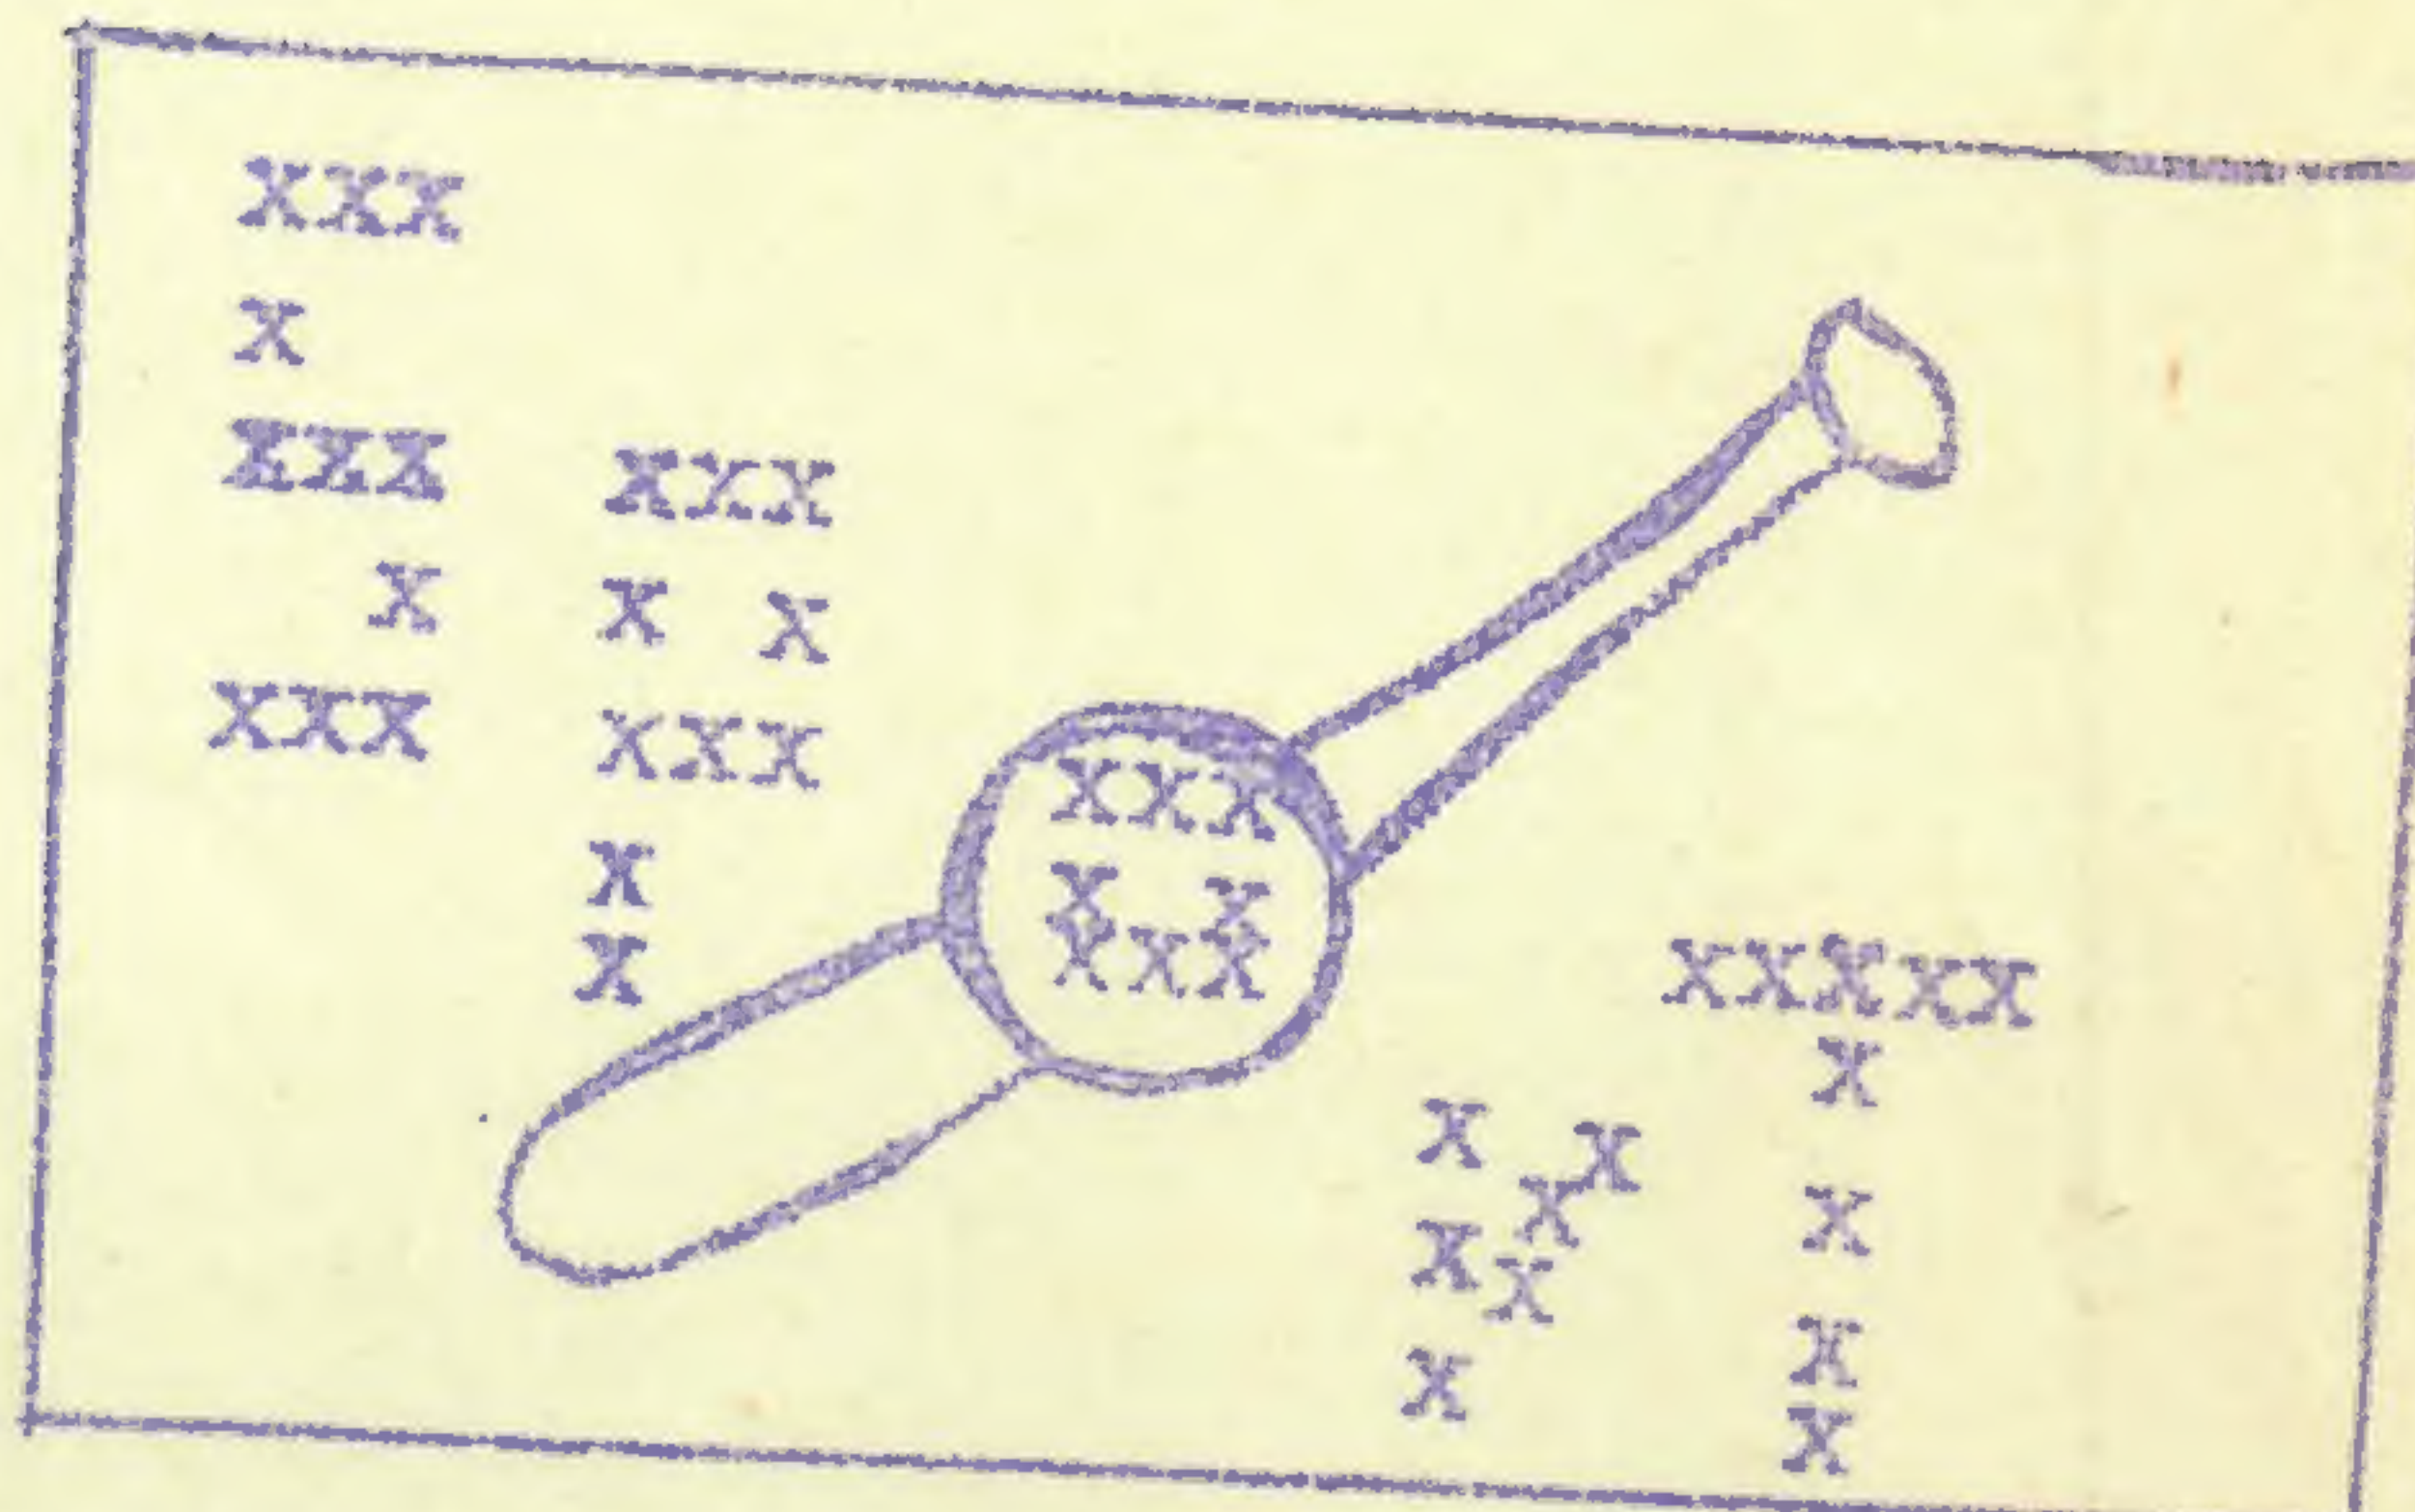

What sisters cried over a boy who quit school?

What freshman boy had trouble getting the hayride truck Friday night?

Is a certain Freshman girl going steady with a college boy?

What 3 boys drove home from the drive-in on a flat tire?

The gossip box in the library is for gossip and not for love letters.

## FAIRVIEW VS. ORANGE

The Fairview Yellow Jackets opened the baseball season with a 15 to 1 loss to Orange September 24, 1967. Fairview's lone run was scored by Chuck Arnold.

The boys played without the services of their regular catcher Morris Caldwell. Chuck Arnold did the catching and did very well.

The 7th and 8th grade team traveled to Orange for their opening game of the season. The score of the game was 12 to 2 in favor of Orange.

\*\*\*\*\*

The fifth & sixth grades are collecting clothing, story books, toys, etc. to send to a child welfare Mission in Kentucky. This mission was flooded out this year and the people are in desperate need. Contributions of good used clothing, shoes, toys, etc. may be left in Mrs. Hedricks room.

Will you help make Christmas happy for these underprivileged children?

## THIRD & FOURTH GRADE NEWS.

The third & fourth grades are moving along in their work, even tho they do not have all of their books and work books yet. History seems to be a favorite with the fourth grade while the third grade is close to their reading. Thursday the grades were both inspected the country.

Recognize the place? Of course you do.
